

YourStyle™ FIR

Introducing Palma, a fusion of elegance and nature-inspired design. The simulated divided lites (SDLs) pattern draws inspiration from the silhouette of a palm tree, bringing a touch of the tropics to your home. The bronze mirrored glass adds a luxurious aesthetic that reflects the door's surroundings, creating an inviting atmosphere.

Palma is more than an entryway; it is a statement piece that seamlessly blends the beauty of nature with modern craftsmanship, transforming your home into a welcoming oasis.
